

This is Madeleine's room...

She has a round red rug
and a big blue ball,
Flowers painted on her wall,
A mobile hanging up above
Dollies whom she simply loves,

Wooden blocks for building things,
A castle fit for queens and kings,
Pencils and crayons, a desk and a chair,
On her bed, a teddy bear,
And lit by a lamp with a soft yellow glow,
Her books all lined up in a row.
